

## April 20<sup>th</sup>- April 24<sup>th</sup> School Closure

### 5<sup>th</sup> and 6<sup>th</sup> Class

Hi 5<sup>th</sup> and 6<sup>th</sup> Class,

I hope you and your families are keeping well. Your school work for this week is listed below. Do your best to complete all of the core work and there is also extra work listed if you have the time or want to complete it. Have a good week.

Ms. Corr

#### Maths

- Mental Maths Week 28
- Tables Champion Week 27
- 5<sup>th</sup> Class Planet Maths pg 103 Try your best.
- 6<sup>th</sup> Class Planet Maths pg 101 Try your best.

#### English

- Reading Zone Unit 28: Read the story and complete questions A, B, C, D (if finished you can also complete E, F, G).
- Spelling Workbook: Complete last two pages of activities for Unit 14
- Read pg52-80 of your novel Anne Frank and answer the questions from the 'Anne Frank Questions' document on the website. Answer these questions in your English copy using full sentences.
- Write a Book Review. It could be about a book you have read during the school closure or one you have read before. You can use the 'Book Review Template' attached on the website or you can use the headings from the template to complete the book review in your English copy.

#### Gaeilge

## **Project Work:**

If you started the project based on a country in Europe I hope it went well and you are happy with what you have done.

If you're finished your work:

Complete a project as a booklet or a poster based on a famous scientist. During these times we are all able to appreciate the value and importance of science.

You can use the internet to help you research using websites such as:

<https://www.coolkidfacts.com/famous-scientists/>

Research facts about the scientist such as:

- Name of scientist
- Date of birth and death if no longer alive
- Where they were born and where they lived
- Family
- Career (what jobs they worked in)
- What they became famous for
- Fun facts about the person
