

March 30th- April 3rd School Closure

5th and 6th Class

Hi 5th and 6th Class,

I hope you are all keeping well over this difficult and strange time. Remember the schools have been closed to protect people and keep up the great work you were already doing in washing your hands and now also socially distancing and staying at home for the moment. Your school work is listed below. Do your best to complete all of the core work and there is also extra work listed if you have the time or want to complete it. Have a good week and enjoy your Easter break!
