

May 11th - 15th School Closure

5th and 6th Class

Hello girls and boys,

I hope you and your families are keeping well and safe. Thank you to everybody who has sent work to me via email you are doing fantastic work at home keep it up! It is great to see how hard you are working and I understand that it is not possible for some to send work in.

I hope 6th class pupils you had a lovely day on Friday if you got the chance to mark the day of your Confirmation and that you are looking forward to receiving the Sacrament in the Autumn!

Don't worry if some of the work is hard, just keep doing your best and don't spend too long on a single task or question. Be kind to yourself and others, do a little schoolwork each day and things you enjoy every day. Try to help out at home as much as you can and make sure you get moving and get fresh air each day if possible!
