## Extra Activities:

Other activities you may like to do:

- Exercise: make sure you are moving your body each day! If you are exercising outside or spending time outdoors don't forget to wear sunscreen. There are lots of different ways to exercise, try to find ways you enjoy and can do at home such as dancing, walking, running, skipping, or simply playing games like tag or football with your family that involve moving about. I have also attached 'Joe Wicks 5 Minute Move cards No.2' on the website for you to try at home. Remember to eat lots of fruit and vegetables to fuel yourself!
- Art Competition: European day of Solidarity between Generations. You can draw or paint an A4 picture showing how you are staying connected to older people in your life. To enter the competition a parent or guardian must take a photograph of the picture and email it to: [safeguarding.socialcare@hse.ie](mailto:safeguarding.socialcare@hse.ie) with the child's name and the category - yours would be 'Third to sixth class'. The full details of the competition are attached on the school website and the closing date for entry is the 29<sup>th</sup> of May.
- Cúla 4 Ar Scoil a school program through Irish providing daily programmes and competitions which can be accessed at TG4 Cúla 4. <https://www.cula4.com/en/>
- Libraries Ireland, the national library system, is providing free online access to eBooks and audiobooks: <https://www.librariesireland.ie/news/online-services-during-coronavirus>
- Nature Diary: Continue to take note of new things you see in nature in your diary. You can note down what you see in your garden or on any walks - now within 5km! ☺ Keep your eyes peeled, you might see a bird of prey hovering above or a field mouse scurrying past. The RSPB website can also help you

identify what birds you may be hearing around your house and your area:  
<https://www.rspb.org.uk/birds-and-wildlife/bird-songs/what-bird-is-that/>  
Remember to respect the wildlife and observe from a distance 😊
