A Day in the Life of a ...

## Introduction

What should I say to introduce myself?

What attention getting strategy should I use?

| Body                         |                                   |
|------------------------------|-----------------------------------|
| Event that occurs during day | Interesting way to describe event |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |
|                              |                                   |

## Conclusion

How will I bring the story to a close and wrap up my day?
