Safety on the Farm

If you are allowed to touch an animal, remember to wash your hands afterwards.

Don't wander around the farm on your own, always stay with an adult.

Stay away from machines or vehicles, even if they are not moving. The driver may not be able to see you or you could get caught in moving parts.

Don't play with any bottles or drums containing liquids, as some of these may harm you.

Never eat or drink anything on the farm without washing your hands first as you could become ill.

Don't play in stacks of hay or straw as they could fall on you.

Always close the farm gates behind you or animals may escape.

Keep away from any slurry pits or drains that you could fall into.

Don't go into an animal pen without an adult.
